ACTION PACK:
**STOP THE
KILLING!**

TIPS ON STARTING THE CONVERSATION

Step 1: Introduction

Introduce yourself and your intention to gather support and ideas on the issue you are undertaking

Step 2: Issue and Agitation

What are the facts? What are the people you're talking to concerned about? What will move them to action?

Step 3: Vision and Education

Share what has moved you to take action on this issue. Share your vision of solving this problem with the community, and what can be done together.

Step 4: Discovering Assets

What relevant experiences, skills, or wisdom do they have? What would they like to offer to the movement?

Step 5: Inviting Commitment

Are they ready to sign and talk to others?

WHO CAN YOU TALK TO? MAP YOUR NETWORKS!

You may start by thinking about the **communities you are a part of**. E.g., you may speak to Finn and Aaliyah from secondary school, Maeve from work, Luca and Ari from a part-time job back when you were in college, etc. Start network mapping below!
